Dear Parents,

Quebec High School and The Jeffery Hale Community Partners provides a daily Homework and Activity Program. The Homework and Activity Program consists of providing a safe, structured area for students to do homework as well as activities while parents are at work. We believe this could be a good time to help students improve and keep up with their academics.

The After School Homework and Activity Program is a resource that can help your child complete and improve his/her schoolwork as well as participate in educational activities. We are counting on your confidence in this program and hope you will make use of this service.

Parents are asked to register their child by filling out the attached form. The fee for this service is \$5.00 per day plus a registration fee of \$20.00. Please note that students who are registered on specific days will be billed according to registration and not on their attendance. Parents who wish to use this service occasionally must be registered and will be billed once a month according to usage.

For more information, please do not hesitate to contact me at: slatteryj@cqsbc.qc.ca, 418 683-1953 or 418 572-5009.

Sincerely,

Julie Slattery,
Special Educator and SNACS Program Coordinator
